I am Innocent!

Dear Judge Brian L. Owsley I am a very civil man not  
a criminal In the past, two insurances I am taking to  
the courts both for attempts of Murder thier insurances  
have put me through the ringer sliming me with mud  
getting me beaten and molested in hospitals and overdressed  
with pills I loose my mind balance at home I come off of  
them loose my mind balance get arrested for nonsense apparent  
crimes go to jail beaten and molested also, hospital, home,  
jail, hospital, home the same cycle putting me false citations and  
hospitalizations — Herein Corpus this insurance piled up to give  
me a Hell of a time, All I did was hold that sucker down  
the jailer to not hurt me anymore he was out of order, he  
attacked me viciously like a mad dog then all the rest  
attacked me assaulting me I did not know how to respond  
I was beaten and having memory flashbacks of a previous attempt  
of murder they got sick about it and hyptnotized me twice  
to reenact the videos to make it look my fault they even got  
the lawyer to harass and threaten me and even making me  
shut up to not testify in Court the lawyer was in on the  
Fraud, extortion, and scam I asked him "what's Next you all are  
gonna hyptnotize yourselves to forget Your Crimes " he made  
a evil smile and smirk — Look Your Honor I am trying to  
work with the Courts with all this little Court Papers through  
formalities of Advisories, Constant reminding letters, Motions/Orders,  
Amendments but nothing seems to get the Courts Attention not even  
the Subpoena, Motions/Orders Summons Transport Orders/Bench Warrant if in  
case the Court Doesn't listen to my innocence — stop the violations of human  
rights and violations of civil rights stop the rapings and poisoning I will  
testify summon me with my paperwork I am innocent I've sent over (50) fifty papers.
